VRC Technical Rider

v1.0.0-alpha.1

Revised February 28, 2022

Thank you for considering hosting an event with us! In this document you will find information such as what we need from the venue as well as our pricing options.

Contents

1   Pricing

In summary, our pricing options can be found below:

Item	Includes	Price
Base fee	(2) Competition Fields (1) Skills Field Livestream, TM Operation Scoring Tablets	$200
Third Comp. Field	Third Competition Field	+$100
Field Control LEDs	Field Control LEDs	+$50 per field with LEDs
Pipe and Drape	60? feet of pipe and drape	+$150

If you are looking for something else not already listed, please do not hesitate to contact us.

1.1   Base Fee

Our base fee of $200 includes field control for two (2) competition fields, one (1) skills field livestream equipment, Tournament Manager (TM) operation, and scoring tablets. We also have a projector, projector screen and speakers, though if your venue has a suitable alternative for Audio/Visual, please let us know as soon as possible.

1.2   Third Competition Field

For an additional $100, we can support a third competition field. This will bring up the total fields to three (3) competition fields and one (1) skills field.

1.3   Field Control LEDs

For an additional $50 per field, we will bring LEDs that will be mounted to the field perimeter and will react to field control.

1.4   Pipe and Drape

For an additional $150, we will bring pipe and drape to the venue. Pipe and drape can be used to make an event look more professional! Let us know if you would like advice on how to best make use of pipe and drape.

2   Venue Physical Requirements

TODO: put diagrams here

2.1   Mission Control Tables

2 tables, 2 chairs

2.2   Power and Ethernet Access

2.3   Internet Firewall

We will need the following websites to be unblocked on the day of setup and event:
TODO: need to find what package my CSE 340 professor uses for listing grammar in the projects because i think it looks cool and we can use the same here

2.4   Crowd Control Barriers

Our cameras are pretty expensive so we want barriers around them

3   Equipment Transportation

It is plausible we will need help transporting items from our base in Chandler to the venue during the day of setup, especially if we are bringing pipe and drape.

4   Contact Information

TODO: is this section needed?

5   Document Changelog

Date	Document Version	Description
